STULZ USA Essential Personnel

This letter is being provided to Nipaporn Chen, Quality Assurance Specialist at STULZ Air Technology Systems. The U.S. Department of Homeland Security issued guidance identifying businesses which are considered part of the nation's essential critical infrastructure. That guidance specifically identifies manufacturers and production workers in the various sectors we serve as part of the essential critical infrastructure workforce.

This designation places our employees in Maryland's Priority Group 1C, which includes Critical Manufacturing. As such, this employee is eligible for the COVID-19 vaccine.

If you have any questions, please do not hesitate to contact me at 240-529-1321.

Best Regards,

A handwritten signature in black ink that reads "Kimberly Goad". The signature is fluid and cursive, with the first name "Kimberly" and last name "Goad" clearly distinguishable.

Kimberly Goad, SPHR, SHRM-SCP
Director of Human Resources
